CLIENT'S CONCERNS

■ **HIGH URGENCY**	Board is demanding proof of preparedness after seeing competitor breaches

■■ **MIXED EXPERIENCE**	Team has strong SAP technical skills but limited incident-response experience
■ **BUSINESS PRESSURE**	Black Friday is in 10 months — cannot afford extended downtime
■ **POLITICAL SENSITIVITY**	Some defensiveness about current security posture
■ **SUCCESS CRITERIA**	Board confidence + actionable gap analysis + realistic timeline

WHAT THE CLIENT EXPECTS

1. Tabletop Exercise	Realistic scenario based on the NorthernStorm attacks
2. Facilitation	Professional, non-judgmental, educational tone throughout
3. Documentation	Detailed notes capturing team responses and identified gaps
4. Report	Executive summary + gap analysis + prioritised recommendations
5. Quick Wins	3–5 concrete actions implementable within one week
